

# A long weekend in Florence

Discover Italy while playing golf!

# Enjoy the Hospitality

The hotels we have selected also represent the opportunity to taste the sense of hospitality and history of the area to which they belong and are often inserted in ancient palaces, medieval villages or noble villas.

The quality of services and staff are a flagship of the great Italian tourism tradition.

## Taste the flavours

Whilst the Tuscan kitchen is an authentic expression of a simple peasant culture with local produce playing the key role in ingredients, the outcome is delicious.

Restaurants with international influences are rare in Tuscany, and you are therefore more likely to experience true authentic recipes.

## Programme

- 3 nights accommodation in Double room 4\* hotel
- Daily breakfast
- 3 dinners in selected local restaurants in the area (beverage included)
- Guided Winery visit with tasting
- 2 Green Fees

## Ugolino Golf Club

The new course was designed by an Englishman and an Irishman, Cecil Blandford and Peter Gannon. They used the natural contours of the Chianti hillsides to produce an outstanding golf course, that winds through the vineyards of autochthonous grape varieties, olive groves, maritime pine trees and broom shrubs.

The course is not very long, yet it demands a high degree of golfing expertise. The greens are small and well defended by bunkers.

The sloping fairways also present a great challenge. To play on the Ugolino course does not mean simply indulging in a game of golf, it means wandering through a landscape of great natural beauty, surrounded by olive groves and orchards. It is an unforgettable, uplifting experience.

## Le Pavoniere Golf Club & Country Club

This is a 19th century villa situated on one of Leopoldo dei Medici's estates.

Twenty years ago, the club was founded thanks to the passion of a number of golfers wishing to create their own course.

Since then, it has been painstakingly restored and many services have been added. Today, in order to enrich and beautify the surroundings, we have planted 1,800 native tree species and created flower beds around the water obstacles, greens and tees.

In this way, when you are playing, you will feel as if you are in a real natural oasis!

## DISCOVERING CHIANTI CLASSICO

Explore Chianti region, visit wineries and enjoy Chianti Classico wines.

Sommelier Fabio Ceccarelli, local wine expert and Italy4golf Italian Ambassador, will introduce you to the region of Chianti, its magnificent landscape and its exquisite wines. He will choose significant wineries for you in order to make you appreciate the peculiarities of style among the Chianti wines based on the area and specific production methods.

During the visit you and your friends will taste typical local specialities. You will also have the opportunity to directly purchase the wines that best match your tastes and taking advantage of Fabio's advice on occasions and labels of interest!

### Fabio Ceccarelli - Somellier

Born and raised in Tuscany, I've always been into food and wine and decided to become a sommelier. In a few years, I transformed my passion into a job.

I have several professional partnerships. I work with a part-time contract to promote Italian wines at the Airport of Florence's main shop. I use to hold lessons about wine and wine pairing to Italian students in Tuscany. I teach "Wines of Italy" to foreign students at an International Institute in Florence. I also cooperate with tour operators to create wine tours in Tuscany.

I am a contributor to Sommelier Toscana magazine and I am a regional editor of the annual wine book VITAE (published by the Italian Sommelier Association). I use to taste professionally 1000 wines per year.

I also obtained the Level 3 Award in Wines of the WSET and the suitability award to become an extra-virgin olive oil taster.
